## GOLF

AN INCOMPARABLE EXPERIENCE. AN UNFORGETTABLE COURSE.

Designed by Robert White, the first President of the PGA of America, our golf course offers an incredible view. With dramatic changes in elevation, players are surrounded by a spectacular view of the Atlantic Ocean and New Jersey highlands. It's a remarkable sight to see. The outward nine routes players towards the highest point on the course where the ninth green and tenth tee are perched overlooking the entire property. The inward nine can play over thirty-five hundred yards and has provided a true test of golf for over 120 years.

The Golf membership category is perfect for the individual or family looking to enhance their daily routine by taking advantage of everything the Club has to offer. Golf Members enjoy unlimited access to all golf, fitness, swimming, dining, and social facilities and activities, and may play tennis up to four times per Club Year at the guest rate. Additionally, Golf Members hold an equity position and voting rights in the Club.

## POOL

RESORT-STYLE POOL AREA.

SWIM, SOAK, OR SPLASH WITH THE WHOLE FAMILY.

Richmond County Country Club's pool has provided opportunities for relaxation, exercise, competition and "beating the heat" since the summer of 1954. Today, Members of all ages will enjoy RCCC's newly redesigned aquatic facility featuring a state-of-the-art, fiberglass pool and surrounding cabanas that provide both beauty and cool comfort from the heat of summer.

For children of many of our Members, the swimming pool is the center of summertime life – a fun and safe place to hang with friends on sunny afternoons or during special Club activities like our popular Poolside Movie Nights. Home to the Devil Rays swim team, our aquatic facility also gives competitive swimmers the perfect venue to master their strokes and improve finish times while competing against other local swim clubs. Last but not least, our wading pool, which sits just steps away, is a have for children under the age of six.

The pool area is generally open from Memorial Day until just after Labor Day, at which time the Richmond County Country Club culinary experience also expands to include poolside menus suited to warm-weather, casual dining. A quick bite may be enjoyed at the snack bar, while those preferring table seating may indulge in a leisurely lunch and picturesque views of the Harbor on one of our terraces.
